

2019 JWBP Mother's Day Tournament Flower Schedule

**** Note: Please have your "Moms" ready 10 minutes before thier scheduled time (We did factor in time to do this, but can't wait an unresonable amount of time to get everyone on the field). We will supply the flowers for the boys to give to their moms. If moms can't make it, please feel free to have grandmas, aunts or friends to step-in. If there is a step-mom situatuation, we are more than happy to give the player 2 flowers. We are planning on all presentations to be done on the field.**
